

SEATTLE CITY COUNCIL | DISTRICT 3

COUNCILMEMBER KSHAMA SAWANT

February 2, 2017

After the pepper spraying and brutal treatment of protesters at SeaTac, my office and I are working with the National Lawyers Guild to propose legislation to prevent the SPD from participating in outrages like this in the future.

If you witnessed or were the victim of police violence and/or harassment, and would be willing to submit testimony or images, please contact my office at 206-684-8016 or kshama.sawant@seattle.gov. Thank you.

In solidarity,

Councilmember Kshama Sawant
