Dear Seattle City Council,

I am a proud Hindu and board member of Hindus for Human Rights, a nonprofit that works to combat Hindu nationalism and caste from a Hindu faith perspective.

As a Hindu, our most important belief is that God is present in every human being, and we must work to protect that equality. This law would ensure that every individual is treated equally under the law, regardless of their caste.

I urge you, as a Hindu, to vote YES on the bill to ban caste discrimination.

Thank you!
